When forced with difficult situations and the best of best competitors in the world, remember what motivates me is "Never ever give up." Quitting is not an option.

But Being Awesome is not always about winning, competitions, or being famous. Being Awesome can apply to everyday life choices. I stand up for what I believe in. I would choose integrity over fame. I would choose loyalty over business. I would choose humbleness over ego. It's the little things I try to do that make the biggest differences in someone's life.

Being Awesome means more than a trophy and Being Awesome in life is what I choose.
